

REMARKS

This Amendment is in response to the Office Action dated October 10, 2006. Claims 52 and 60-62 have been amended to correct formal matters and claims 63-66 have been added. Claims 52-66 are in the case, with claims 52, 60, 61 and 62 being in independent form. Claims 1-51 have been canceled hereby.

Claims 52, 61 and 62 were rejected under 35 U.S.C. §112, second paragraph as allegedly indefinite. Applicant's undersigned Attorney thanks the Examiner for the courtesies extended during the telephone interview conducted February 1, 2007. During that interview, language was discussed that would overcome the Section 112, second paragraph rejection. The Examiner indicated that if the claims were amended as presented by this Amendment, they would overcome the Section 112, second paragraph rejection. The Examiner also tentatively indicated that the claims appear to be in condition for allowance subject to further consideration and search.

In view of the present Amendment, it is believed that the claims are now in condition for allowance. Accordingly, prompt consideration and allowance of the present application are respectfully requested.

It is submitted that no new matter has been added and no new issues have been raised by the present Amendment.

The Office is hereby authorized to charge any additional fees that may be required in connection with this amendment and to credit any overpayment to our Deposit Account No. 03-3125.

If a petition for an extension of time is required to make this response timely, this paper should be considered to be such a petition, and the Commissioner is authorized to charge the requisite fees to our Deposit Account No. 03-3125.

If a telephone interview could advance the prosecution of this application, the Examiner is respectfully requested to call the undersigned attorney.

Entry of this amendment and allowance of this application are respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Richard F. Jaworski', is written over a horizontal line.

RICHARD F. JAWORSKI
